Q1. Is it the intent to hire one person, or several people who could service the various parts of the state?

A1. The California Architects Board (CAB) is looking for one Architect Consultant to work up to 90 hours per month and be based out of the Sacramento office. Travel for various aspects of the job may be throughout the state, but the position primarily works out of Sacramento.

Q2. What level of indemnification is provided to the consultant by the California Architects Board during the term of the contract?

A2. A sample Agreement is contained on pages 17 – 24 of the RFP No. CAB-07-02, Reissue #1. Indemnification language is contained in Exhibit C - General Terms and Conditions (GTC - 307) on the Standard Agreement (STD. 213), which is standard to California contract language. It is part of the terms and conditions, incorporated by reference, and can be viewed at www.ols.dgs.ca.gov/Standard+Language. Typically, there is no indemnification afforded to the consultant by the State.

Q3. Are there any liability coverage requirements for the consultant during this contract?

A3. Per the sample Agreement, contained in the RFP, the Contractor is not required to have liability insurance coverage in order to perform Architect Consultant services for CAB.
